

Serving on the Board of Directors

Volunteers can make a difference....

The deadline for candidates to apply for consideration for the credit union's 2019 board elections by the Board of Directors Nominating Committee has now passed.

If you would like to be considered for next year's elections or other volunteer opportunities, we would still like to hear from you. While it is infrequent, there are occasions where an opening on the Board of Directors occurs between annual elections and the nominating committee will review possible candidates on file for appointment until the next annual election. Also, there are a variety of volunteer committees that contribute to the success and leadership of FedStar Credit Union (including a volunteer supervisory committee, and periodic community focus groups). If you have any questions about this process, you may email the Nominating Committee at fedstar@fedstarcu.com. Or you can write us at:
