

FedStar Credit Union

701 Harvey Road
College Station, TX 77840
979-846-7456
www.fedstarcu.com
NMLS # 762750

Rest assured that the health and safety of our employees and the security and safety of our members will always be our central focus.

The following are some of the actions we have taken to date:

- Performing enhanced cleaning in our credit union and ensuring that we have supplies on hand to reduce the spread of virus and infection.
- Staff have been instructed to practice social distancing and to greet our members without handshakes or other physical contact.
- Reminding staff and members to use caution when handling money or personal items, avoid touching eyes, nose and mouth, and to cover coughs and sneezes.

We also want to remind our members that they do not have to come into the credit union to conduct business. There are many ways members can access their accounts electronically or through the drive-through. If you would like to sign up or renew any of these features, just call us.

- Use our own ATM or any Aggieland Credit Union ATM to make withdrawals,
- Sign up for home banking to review your accounts, make transfers, set up recurring transfers, balance your statements, and receive account updates,
- Use our Free Mobile App when you are on the go to check account balances, apply for loans, transfer funds and more,
- Use our Free Online Bill Pay service to pay bills, pay individuals securely and set up recurring notices and message reminders.
- Use our drive through and get money orders, cashier's checks and any transactions you would normally do inside the credit union, cashing checks and making deposits.
- Apply for loans online and sign your loan documents electronically and securely from your computer, laptop or mobile device. Just go to www.fedstarcu.com
- Call us at any time if you have questions on your account. Our number is 979-846-7456

On behalf of the board and staff of the credit union, our continued actions will be responsible, clear and adaptive to the ever-changing situation. We will communicate to you via email, website or social media any changes or developments that may occur.
