## Board of Directors Announcement

All member-owners of FedStar Credit Union have an opportunity to participate as a volunteer in support of our credit union's goals and values as a not-for-profit financial cooperative. Our volunteer board members do not receive compensation for the guidance and time spent to further the success of the credit union. Board members have the member's best interests in mind in every decision made.

FedStar Credit Union's board consists of seven unpaid volunteers who are voted into office to donate their time and talents. Experienced volunteers are welcome to apply, especially those members with experience in business, finance, human resources and IT services. Most importantly is the willingness and commitment to serve and volunteer time for the benefit of all members. In the fall, a call for candidates is made. Nominations close in December and the Nominating Committee reviews all applications and submits a slate of nominees to the secretary of the board. Our financial cooperative and our members benefit from a diverse group of board members. Elections for the board of directors are held at the Annual Meeting in April of every year. In 2019, three board positions will be filled.

The nominating Committee has put forth the names of three incumbent board members who are willing to serve as volunteers for another three-year term. The nominees presented are Ron Weiman, Ted E. Peabody Jr. and Pat Buck. There will be no nominations from the floor as there is only one nominee put forth for each position. The credit union membership will elect all nominees presented at the Annual Meeting held in April by acclamation.

The election will not be conducted by ballot when there is only one nominee for each position to be filled. Nominations for any vacancy may be made by petition and signed by at least one (1%) of the credit union membership with a minimum of twenty (20) and a maximum of five hundred (500) signatures. The closing date for the petition filing is 4:00 p.m. on February 1, 2018 at the credit union office.

## Board Declares BONUS Dividends at Year End

The credit union board of directors has declared **BONUS** dividends on credit union member shares, share draft checking and club accounts as of December 31, 2018. **BONUS** dividends are based on average balances through out the year in each account. This year, the Board of Directors declared a one time bonus dividend payout on a member's annual average deposit balances. The board declared a 100% **BONUS** dividend for all open accounts. One of the benefits of credit unions is that credit union profits are paid back to their members. When our credit union is doing well, members share in those benefits. FedStar CU returns its profits to its members in the form of lower rates, higher yields, free checking, Online Bill Pay, Mobile Banking and more products and services for those with an active relationship at the credit union. The credit union has had another successful year and we are proud that we were able to declare a one-time dividend **BONUS** to its membership. We appreciate our members and this is our way to reward them!
